

School Bully Report

This report may be completed by a student or by a school official.

Bullying is aggressive behavior that involves an imbalance of power or strength and occurs repeatedly over a period of time.

Does what happened fit all three parts of bullying?

- | | | |
|------------------------------------|---|------------|
| 1. It is repeated. | How many times has it happened? | How often? |
| 2. There is an imbalance of power. | How do you feel when this happens? | |
| 3. Bullies cause harm on purpose. | Does the person intend to harm you or make you feel bad,
or does the person just act mean and/or rude? | |
